

# ADVENTURE TEAM BUILDING

## CREATE UNBEATABLE TEAMS

Do you want to create an indestructible corporate team?  
 Do you want a team that communicates well internally and externally?  
 Do you want a team that achieves its goals and objectives?  
 Do you want a team that is UNBREAKABLE in times of pressure and stress?  
 If you answered YES to any of these questions, you NEED to go on a

## WE TRAIN TEAMS TO UNDERSTAND AND WORK TOGETHER

We believe in fostering team bonds and camaraderie by putting teams in challenging and exciting situations, through various adventure activities. By creating positive stressful situations that require the team to encourage and cheer each other on, we teach them skills that they will then be able to use in negative stressful situations they might encounter in the work space.

## EMOTIONAL INTELLIGENCE THROUGH K3 OBSERVATIONS

Our workbook takes teams through a series of 10, K3 team building sessions and assessments that get participants to refocus on how their behaviors and traits affect the following areas;

Know Yourself

Know Your Team

Know Your Goal

TEAM AWARENESS & SUCCESS

By tackling these three areas with an emphasis on team building, allows us to get to the root of common problems and challenges that teams face, as well as leaving participants with in-depth knowledge about themselves as individuals.
